Job Type: contract		

Job Description:

Checks and balances in the field on refueling vendor/ teams to ensure correct reporting and minimum pilferage.

Job Requirements:

- Regular field visits to ensure compliance by refueling vendor to refueling SOPs (e.g. fuel measurement using 50 Ltr beakers and accurate measurement of stock using dip rods fuel tank calibration charts etc).
- Ensure accurate reporting by vendor teams for fuel filled at refueling NOC and WICC, through random checks/ field visits.
- Conduct Field benchmarking of DG Sets at sites jointly with concerned Security Supervisors and O&M supervisors (optional).
- Field visits of suspected fuel pilferage sites to confirm pilferage and recommend actions to rectify the problem (like Guard/ Supervisor change etc).
- Field visits for inspection of fuel stock available with vehicle (vehicles/ storage).
- Visit PSO filling stations for monitored/ controlled card swapping as and when designated.

Key Performance:

- Vendor compliance to the refueling SOPs.
- Percentage of correct reporting of refueling quantities, available stock.

Required Skills

- Person with high degree of integrity and analytical capabilities.
